Address: 190020, Russia, Saint-Petersburg,  
Lifliandskaia str. 6 ,lit  
A

### Listing details

Title: Bunkering flowmetrs (DN25, DN40, DN100, DN150) for custody transfer IF  
Ref No: RF593976  
Price: 1.00  
Condition:

### Additional information

#### Description:

We produce

and sell from stock and under for order bunkering flowmeters (screw, oval gear, turbine) with mechanical account device or electric account device. Flowmeter offer the measurement for custody transfer of petroleum, desiel products, aviation fuels, Shipping fuels MDO, MGO, IFO and a broad of industrial liquids.

#### Fuel Flowmeters

nominal DN25, DN40, DN100, DN150mm with mechanical account device.

The  
consumption:

DN25 to  
7,2m<sup>3</sup>/h, Working pressure, MPa:1,6 (16Bar)

DN40 to 25m<sup>3</sup>/h, Working pressure, MPa:0,6 (6Bar)

DN100 to 180 m<sup>3</sup>/h, working pressure, MPa:1,6 (16Bar)

DN100 to 180 m3/h, working pressure, MPa:6,4 (64Bar)

DN150 to 420 m3/h, working pressure, MPA:1,6 (16Bar)

DN150 to 420 m3/h, working pressure, MPa:6,4 (64Bar)

Class of accuracy: 0,25 or 0,5%

Reset to  
"0"

The  
flowmeter considers single, moment and total account.

Our  
location also provides us with immediate access by air to worldwide  
destinations.

All of our  
products are guaranteed 12 month.

Best  
regards.
