Additional information

Description:

Dear Associates:

1000-2000 DWT chemical tanker / oil tanker wanted by EVISION INTL INC,

We are

serious and immediate buyers of three chemical / oil tanker

types:

maximum 19.5 built_ins old. Not older than 19.5 built_ins.

Any country made is allowed but we prefer Japan made.

PLEASE NOTE: We cannot purchase China made tanker for this deal.

Our price idea is

between US \$ 0.4 million to \$ 1.5 million around depending on the status of the vessel. We are flexible in payment matters which could be full LC or combination of cash and LC.

Our Clients are few, who need to procure

4 to 5 tankers depending on the budget.

The Tankers will be used for our Coastal or Inland areas within Bangladesh and Bay of Bengal.
