Additional information

Description:

Our company is selling the scrap vessel " Boca Grande " located off coast Venezuela, anchored in Serpent's Mouth (between delta of Orinoco river and Trinidad) about 9 deg 56' 42" N and 61 deg 34' 48" W. It is presently tip bow stranded to restrain her movement/drifted away.

The Vessel is bottom damaged (18 M long in way of tank Nr.1 STB) and cannot move by her own means. It is for sale "As it is, Where it Is" and will require some investment to be repaired and towing to the shipyard or final port.

This Vessel

was used as iron ore transfer station and still has on board about 5,000 tons of naval iron ore (99.9%) (Included in the sale)
