CARRIER
Condition:

Additional information

Description:

ASPHALT , FUEL OIL OR HEAVY DIESEL CARRIER DWT 6026mt

MV TBN

Flag Panama or other FOC

Asphalt Carrier

Suitable cargo for carrying 2 different grades of Asphalt,Fuel oil or Heavy diesel oil etc

Class BV Unrestricted Nav. area

BLT China/Newbuilding

DWT Abt 6026mt GT/NT 4128/1609

Loa/lbp /beam/depth 112.10/105.50/ 16.20/ 8.0m

Cargo oil tanks 12 (including 2 slop tanks) Total Capa 5848.08cbm

Double bottom& double hull

Service spd Abt 12.9kn at designed draft

Designed draft 6.00m

M/E Shanxi/8DKM-28/ MCR:2500Kw x 750rpm

Reduction gear box GWC60.66 Ratio 5.119:1

Bow thruster electric motor driven FPP 200KW x1set

Main generators Cummins /CCFJ350-1500DKCFX 350kW/400V/60Hz 3sets

Thermal medium heater power 3500kw Pressure 0.7Mpa 2sets

Combined Oil-fired Exhaust gas boiler Capacity:650kg/h Pressure 0.7Mpa

Cargo Pumps horizontal twin screw Capacity:600m³/h, Pressure:0.85Mpa 2sets

Cargo oil piping materials: seamless steel pipe surrounding coating

Heating coils materials in cargo and slop tanks : seamless steel pipe surrounding coating

Heating piping materials on deck :pre-insulated seamless steel pipe

CCR to be provided including as follows:

- Cargo oil tank level remote monitoring unit
- Cargo oil tank high temperature alarm unit
- Cargo oil tank high level alarm unit
- Cargo oil pump room bilge water high level alarm unit
- Cargo oil pump main line at outlet pressure display unit
- Ballast tank level remote monitoring unit
- Draft level monitoring unit
- Oil discharge monitoring and Control system
- Valve remote Control system

Portable oil/water interface detector to be provided

Portable flammable gas detector to be provided

Coating in cargo & slop tanks shall be carried out according to the practice and standard

Lifeboat fireproofing totally enclosed type x 2sets

Hose handling crane electro-hydraulic Luffing jib and slewing type capacity 2.0t x 1set

SHIP CAN BE INSPECTED IN ZHEJIANG PROVINCE OF CHINA

CAN BE DELIVERED VERY QUICKLY AFTER SIGNING OF THE MOA

(ALL DETAILS GIVEN TO BE CORRECT BUT NOT GUARANTEED)

WE WILL REVERT ONLY FOR SERIOUS INTEREST
