Price: 1.00
Condition:

Additional information

Description:
product required: ship scrap metal

quantity required: 700,000tonnes (= 20,000tonnes/mth x 35mths)

* we are well aware of market prices and we must make our supplier decision soon (possibly 1 week) so please send in best prices only as we unfortunately do not have time to negotiate and will make our selection based on best prices sent in quickly.

* only looking for reliable supplier who can guarantee the quantity required above.

* please make sure to attach photos of ships when contacting us.

Thank you.
