Additional information

Description:

Stanley Boats - Pulsecraft Landing Craft, on custom aluminum trailer.

26' new boat with twin ETEC outboards or Merc: fast and efficient boat equipped with professional fire pump.

Perfect for shallow water, but this boat can handle big swells too.

Drop down bow gate, for rapid loading/offloading of equipment and personnel.

Aft wheelhouse, enclosed, for all-weather deployment.

Great for **contractors, fire/rescue/EMS, divers, island property owners**. Also ideal for conservation or environmental work.

Manufacturer's website: <http://stanleyboats.ca>

Built in Canada by Stanley Boats, Ontario.

USA dealer inquiries welcome: 410-507-5505 .
