### Additional information

Description:  
[Transshipment Equipment for sale / joint exclusive with ARROW](#)

Located in Guyana.

We hold all details here and we can guide further on Owners price ideas, structure etc.

++

The equipment consists of:

7 Tugs

All

equipment is built to high specifications and has been in operation in Guyana since 2006 covering a bauxite transshipment project which will come to an end by December 2016 thus the equipment can be made available shortly thereafter. Owners have always kept a very high maintenance standard thus the equipment is to be considered almost as good as new.

Preference is given to offers for the total package although equipment can be sold piece by piece.
