Condition:

Additional information

Description:

Gorgeous, meticulously maintained one owner boat.

This spacious, comfortable, aft cabin boat has been continuously owned since new by the current owner who also has a yacht maintenance and repair business. Living on the Rio Dulce it's been a freshwater boat for almost all of its life. Everything is in wonderful `condition` and the boat is ready to go. The 375 hp Caterpillar 3208 TIs were rebuilt and have less than 100 hours since rebuild. The 8KW Kohler generator has less than 100 hours since rebuild. The interior is in perfect `condition` and in recent built_ins the owner has used the boat just enough to keep it in perfect `condition`.

This is the perfect opportunity to buy your boat, explore the western Caribbean and use it

as your home away from home. Or you can buy it here, cruise as much of the Caribbean in your own floating home as you like then take it home with the memories of a lifetime.

Rio Dulce is a beautiful freshwater resort area with large lakes, numerous anchorages and marinas, and nearby cruises to Belize and the Bay Islands of Honduras as well as passages to Mexico, Cuba, Jamaica, Panama and Colombia. Every service is readily available.

Accommodations

This impeccably maintained yacht offers a large, open aft sundeck with isenglass curtains that can be rolled down for a full enclosure in cold or inclement weather. A few steps up is the flybridge helm.

Four short steps down take you into a spacious, bright and airy saloon. The saloon decor is highlighted by two gorgeous custom hand carvings. Chairs, stools and a couch provide ample comfortable seating. One of three air `condition`ers keeps you cool and comfortable built_in round while huge windows offer an all around view. Just four steps down lead to the dinette to port and the galley to starboard. Both are open above to the saloon for excellent ventilation and light.

Forward of the galley and dinette is the VIP stateroom. A large pullman berth is to port. To starboard just forward of the galley is the VIP head with separate shower and electric head. Separate air `condition`ing controls keep the VIP quarters comfortable. Engine room access is under the forward steps.

Four steps down aft from the saloon is the spacious owner's stateroom. A beautiful queen island berth is flanked to port with a vanity, drawers and lockers and to starboard with a mirrored wall with sliding mirrored door the owner's head. At the foot of the bed on the forward bulkhead is an array of cedar lined hanging lockers in rich wood. Digital air `condition`ing controls keep the owner's cabin occupants comfortable to their own tastes.

Two private staterooms with en suite heads and separate showers
Three individually controlled air conditioning units
Excellent light and ventilation
Spacious owner's aft cabin with ample lockers, drawers and mirrors
All carpets protected with snap on covers
Beautiful custom hand-carved decorating touches
