Generator - 2 30 kw (New) 50 hrs ea.  
Electrical Circuit: 12V

### **Outside Equipment/Extras**

Hydraulic windlass

### **Accommodations**

The main salon has an open airy feeling with three large windows on the port and three on the starboard. Looking aft through a double door is a large entertainment section which is an extension of the salon and has a table with seating for eight under the hardtop extension. Going forward, the starboard passage leads to the galley which is all finished in solid wood cabinets and granite countertops with a very rich traditional look. On the starboard stair forward three steps up to the pilothouse is the main helm station with all the navigation equipment and electric controls. The pilothouse has a large bench designed seating that looks forward and to the starboard are six stairs that lead to an opening to the top deck, navigation station and seating area for at least twenty people. Port and starboard openings from the pilothouse forward lead to the exclusive formal dining area that seats ten comfortably. Throughout the vessel there is very tastefully done granite countertops which beautifully accents the decor. The access to the master and guest staterooms are through the salon port side leading down to the passage aft to the master stateroom which is quite large and very well appointed and includes its own master bath and shower. Leading from the stair below to the immediate port side is a guest stateroom with its own head and shower. Also, there are two other guest staterooms with adjoining showers and heads that are very well appointed. All three guest staterooms boast queen sized beds with decorator spreads. Throughout the vessel all headliners, wall coverings and flooring are new and in very good taste.

## Engines

In 2008 and 2009 the vessel was dry docked for over a built\_in. During this time the engines were removed and sent to Caterpillar to be overhauled to 'zero' hours. Two brand new NarPro diesel generators each 30KW were installed. New Westmar stabilizers installed. New Westmar bow thruster. All new plumbing and electrical wiring installed. New lighting. 9 station electronic bilge pump monitoring system. 8 station electronic tank monitoring system (fuel & water). 2 new PanelTronix electrical panels. Ecotec 1200 GPD watermaker with separate pre-filters. Phase three stage smart charger (eng). WestMar battery charger for generators. Secondary steering system (mechanical). 2 new 500 gallon day tanks(1000 gal. total). 2 new fuel transfer pumps. 2 Xantrex DR series inverters/chargers. All new fuel manifolds. New water manifold. New Racor fuel filters for main engines and generators. WestMar 1135 Psi Air compressor. 4 new ROLL's Batteries (house). 2 new 8D batteries for generators. Oil change system. Fuel transfer system.

## Galley

The galley is brand new and located on the main deck just aft of the Pilot House, air conditioned with digital controls. All the equipment is brand new in 2009. All new cherry cabinets, new granite countertops and flooring. Aft of the galley is a brand new day head, never used. New Jenn Air four burner electric stove. New LG dish washer. New Avanti beverage cooler. New GE profile electric trash compactor. New Edgewater ice maker. New Whirlpool washer and dryer on lower deck.
