Condition:

Additional information

Description:

"MISS JEANNE SEA"

Sport fishing luxury on a grand scale describes the 66 Super Sport, the biggest boat in the Ocean fleet during the 1990s, and still a handsome yacht today in spite of her age.

She's basically an improved (and safer) version of the earlier 66 Super Sport with a deeper forefoot, a redesigned transom, additional fuel, and a newly configured flybridge. The 66 is built on a rugged modified V hull with coral hull sides and a nearly flat 3 degrees of transom dead rise. Below decks, her berth (and bathroom) floor plan is arranged with the galley and dinette forward and a stow up from the large cabin.

Dimensions
Beam: 10'0" x 4"
