Accommodations

This great boat is an extremely bright, airy flybridge catamaran that provides the highest level of comfort for owners and guests. With cherry wood throughout the interior, including a cherry and holly floor, and an all leather interior she is both beautiful and practical. This South African built power cat provides ultimate versatility and comfort whether coastal cruising, ocean voyaging or out for a day of sport fishing. In the cockpit you will find 2 large storage Lockers. From the cockpit you enter the wheel house with 360 degree visibility. The wheel house includes a steering station with full electronics, a dining/conversation area with seating for four, and a seven foot settee to port. Forward of the Wheel house is the main salon. To starboard as you enter the main salon is the galley which includes a 2 burner stove with oven, a combination refrigerator/freezer, a built-in microwave/convection oven and tasteful solid counter tops. Forward is a stunning dining area, surrounded by large windows, with a beautiful varnished cherry table and a settee with leather cushions capable of seating six adults comfortably. The sleeping accommodations and engine rooms are accessed from stairways in the main salon. Starboard aft is one engine room with standing headroom and excellent engine access. Also in the starboard engine

room is an 4 kw generator. Just forward of the engine room is the master suite with a large double berth, again accented with satin finished cherry wood. Forward of the master suite is the large master bath with separate shower and solid counter tops. Port aft is the second engine room again with excellent headroom and 360 degree engine accessibility. Forward of the engine room is a berth for crew or guests with stacked beds for two. All of the way forward on the port side is another double suite for guests. Between these two berths is the second bathroom, shared by the two suites, which also has a separate shower. The flybridge, accessed by ladder from the cockpit, has a hard bimini, helm seat and a steering station with fully repeated electronics.
