 Condition:

## Additional information

### Description:

Waypoint is no doubt the finest Ocean 46 Sunliner available. Her current owners are knowledgeable boaters, and she has been meticulously maintained from the engine room to the top of the flybridge. Since she is a freshwater boat, and since she is kept undercover, her bright work, paint, and gel coat are in excellent condition. Check out the photographs, and you'll see what I'm talking about. The 46 Sunliner offers two large staterooms each with ensuite heads and separate showers, a full galley with a dinette that seats 6, a large salon with satellite TV, a fully enclosed aft deck with room for additional dining, and a fully enclosed flybridge with seating for 6 or more. The twin Detroit 6V71-T1 engines with 900 hp offer a cruising speed of 22.5 knots, a top speed of 26 knots, and fuel burn at cruising speed is only one GPM. If you're looking for a two stateroom aft cabin motor yacht that is turn key ready for the Great Loop or cruising the Bahamas, this is an excellent value at this price. When you step on board, this is what to expect.

- She is a fresh water vessel.
- She is kept under cover.
- Paint, bright work, and gel coat are in excellent condition.
- Engines and genset are maintained on a regular basis.
- She only burns one GPM while cruising at 22.5 knots.
- Fully enclosed flybridge with clean and clear fiberglass.
- All new high end electronics in 2011. (See description\_add below.)
- Complete HD Satellite TV System installed in 2011.
- Fully enclosed aft deck with clean and clear fiberglass.
- Classic Ocean 46 two stateroom, two head layout.
- This is a great value for a boat that will last for many built-ins to come!

#### Boat Name

Waypoint
