### **Brokers Comments**

On the Silverton 37 Convertible a wide beam allows for a stable, dry ride, while the expansive interior is designed for comfort and convenience. This is a versatile boat with plenty of cockpit space. Visibility from the tournament bridge is excellent, and it can easily be equipped for bluewater angling. Below, the finely crafted cherry interior is both comfortable and easy to maintain. A forward private stateroom has it's own direct access to the head, while the dinette and salon can handle a crowd.
