Model: Express Cudy
Condition:

Additional information

Description:

If you are looking for an express cruiser but want more performance and speed this is the boat for you!!!

Midnight's design is the 34 Pied-A-Mer, which plays on the French idiom pied-a-terre. Translated, the French phrase literally means "foot on the ground," but it often refers to small vacation apartments in posh locales. This sporty model offers owners a little bit of overnight accommodation space on the water. With more headroom and some basic domestic systems, the 34 offers enough room for a couple looking to get away for a night or two.

The higher cabin profile allows for standing headroom aft. A V-shaped seating area forward is equipped with a stationary high-low table that allows this area to convert from a dinette to a V-berth bunk. A sink and refrigerator are to starboard, across from a small bench seat to port. A flat screen TV is mounted on the aft bulkhead. Moving up on deck, there is a small seating area forward of the center console. The front of the console opens to reveal a small step-down head compartment complete with an electric head and a sink with shower attachment. The console itself is well laid out, with seating for two and room for two large electronic displays. Aft of the console, a transom bench adds a little more seating.

This Midnight Express 34 has only 200 hours on her and has been stored indoors it's entire life! Professionally maintained with an open checkbook she is in pristine `condition` and ready to go!!!

Dimensions

Beam: 11 ft 0 in
Length on Deck: 34 ft 0 in
