Condition:

Additional information

Description:

This Marine Trader Tradewinds is an excellent example of the popular contemporary motor yacht styled trawler with planing-speed performance. Below decks her all teak interior is beautiful and in excellent `condition` With large wraparound windows and plenty of headroom, the interior is well designed and offers a lot of volume for the size of the boat. Her reliable 275 Lehman's will deliver a cruising speed of 16 knots and a top speed of 18 knots, however at 10 knots to 14 Knots the engines will be loafing and a 10 knot cruising speed will burn approximately 8 GPH. Popular for a permanent liveaboard/cruising vessel, or just a weekend condo, this Tradewinds 43 is an excellent affordable choice.

FRESH BOTTOM PAINT!

Electric windlass

Vessel Specifications

Accommodations

Starting forward is the GUEST CABIN featuring a double berth to port with storage under. There is a bulkhead hanging locker and storage to starboard. Opposite the hanging locker is the HEAD/SHOWER with a toilet, vanity with sink, hot & cold pressure water, mirror and cabinet storage.

Next aft is the 'L' shaped GALLEY to starboard which is well organized and equipped with a double sized stainless steel sink with hot and cold pressure water, dockside fresh water system and ample countertop space, cabinets and drawers. Appliances include a Princess Ceran smooth top 3-burner electric stove, Kenmore microwave/convection oven, an upright Sumit no-frost refrigerator with freezer and a Carad automatic compact dishwasher. Opposite to port is the DINETTE with cushioned bench seats and dinette table which converts to a double berth. There is very good storage in the dinette and galley area, both under the settees and outboard to port and starboard.

Up three steps to the spacious MAIN SALON with the LOWER HELM STATION is located forward to starboard with full instruments and a sliding side door at the helm station providing good ventilation for this area and also convenient access to the side deck. The salon has large wrap-around windows and 6'4" headroom. Excellent storage also in the salon with cupboards outboard port, starboard and aft. The entertainment center is located forward to port in the salon with a flat screen HDTV.

Going aft and down two steps is the MASTER STATEROOM with a queen sized walk-around centerline berth. Beautiful teak cabinetry and joinerwork make this cabin very comfortable and inviting. Clothes storage is abundant and there are full length bureaus with drawers and very large hanging lockers. Bulkheads are mirrored outboard port and starboard and aft behind the berth. This cabin is extremely well ventilated with opening hatches and ports. The ENSUITE HEAD features a large stall shower, marine toilet, vanity with sink, mirror and cabinet storage.

The aft sundeck is very comfortable and offers easy access to the swim ladder and swim platform. This area is ideal for entertaining or dining with a wet bar with glass and bottle storage and storage cabinets under.

Molded fiberglass steps offer access to the flybridge w/ bimini top, which is also very spacious and inviting for entertaining - with seating for at least 10 people in comfort.
