Fresh Water Tanks: (60 Gallons)

Fuel Tanks: (190 Gallons)

Holding Tanks: (30 Gallons)

WALK-THROUGH TOUR

Board this Mainship III stepping down 2 steps to aft cockpit or onto swim platform and through stern transom door. Appreciate the full size transom door, swim platform and ladder for boarding from your dinghy, floating dock or a swim. Notice roomy cockpit for socializing with friends or just relaxing at anchor, at dock or while cruising. Full walkaround inside cockpit eases docking. From cockpit ascend 6 steps with stainless steel siderails to flybridge. Admire the comfortable center helm chair and deck chairs that make another entertainment area while cruising or at anchor or dock. Sit in the captain's chair to observe the 360 degree view from upper helm with all instruments in captain's reach. Notice the new bimini covering flybridge that is easily folded down to clear a lower bridge. Canvas skirt around bridge rail is new.

Walk along side decks to appreciate safety of full size stainless steel grabrails along side and bow, and inside grabrails overhead at cabin and doghouse as you move forward. This deck

plan is ideal for safe docking, line handling and anchoring.

Return along side deck to aft cockpit and enter salon through large sliding glass door. Note rolling sunshade over interior of glass doors. Observe the roomy salon seating to entertain guests and relax - sofa, bar stools surrounding high/low table with extending leaves. Notice the large opening side windows and door for great fresh air ventilation, and air conditioning vents when too warm or cold for fresh air. Observe side window draperies and bow window sunshades to protect interior. See digital TV strategically placed for viewing while relaxed on sofa with reclining legrests. Move forward to desk on port side that doubles as galley serving counter. Notice lower helm on starboard side.

Proceed forward and down 2 steps to large, open galley on portside. Observe how functional this U-shaped galley is with lots of counterspace and cabinet storage while equipped with stove, microwave oven, refrigerator, large SS sink.

Move to starboard and open door to private bathroom. Observe large vanity with deep sink and cabinet storage, electric toilet. Appreciate the walk-in shower with bench and folding glass door, rarely found on a 34' trawler.

Exit bathroom and move forward to open door to master suite. Observe large, queensize v-berth surrounded by shelves above. Note overhead opening hatch and side ports as well as air conditioning vent make for comfortable sleeping in any weather. Under v-berth filler, find drawers and cabinets. Notice 2 large hanging lockers on each side of private door to master suite.

ACCOMMODATIONS

Mainship III offers a very comfortable, economical cruising yacht for couple. The salon is a roomy social space adjacent to sliding doors to cockpit. Salon offers sofa, bar stools, desk. Forward salon starboard area is very functional lower helm.

Master suite has generous queensize v-berth with lots of storage space in hanging lockers, cabinets, drawers and shelves. Well-ventilated with opening overhead hatch and side ports as well as air conditioning/heat vent.

Head is quite comfortable with large vanity and moulded sink and electric toilet, and opening side port. You'll love the walk-in shower with glass folding door - rarely found on a trawler this size.

Salon:

- Sofa with leg rests

- Movable high/low table with 2 folding leaves
- Well ventilated with stern sliding door and large opening side windows
