Condition:

Additional information

Description:

Huge price reduction! Vessel located on the St Johns River in Central Florida!

The 45 Jefferson is a classic Sundeck Motor Yacht, ready for another journey, or as a casual live-a-board. The "Whatever" features a full 15'2" beam Master Stateroom with a centerline queen bed that offers a great level of comfort. The separate front load washer and dryer is a wonderful feature. Multiple drawers and cabinets as well as a his/her hanging locker combines for ample storage. A new 16000 BTU MarineAir Reverse Cycle A/C was added in 2013. The master head features a tub and shower, Raritan Atlantes A5 electric head and the Purasan EX Waste Management System.

Featuring Naiad stabilizers for cruising comfort, she is ready for another journey like the Great Loop or as a perfect live-a-board. Reliably powered with economical 3208 Cat diesels with 11 knot cruise and top speed of 15 knots, she is the perfect long distance cruising yacht comparable to most trawlers.

With teak parquet flooring, teak veneer and trim throughout, the salon features moveable furniture to arrange the way you like. It has built in cabinetry for ample storage, a 32" flat screen TV, Sony AM-FM stereo receiver, Sony Mega Storage 400CD Player, DVD Player, DirecTv Receiver and a new 16000 BTU MarineAir Reverse Cycle A/C for the salon area.

Descend 4 steps forward and you will find the galley to port and a dinette starboard with ample seating . The galley features a household sized Maytag refrigerator/freezer (at bottom), with a new ice maker, 2 burner electric Kenyon glass cooktop with pots and pans storage in pull out wire drawers underneath, a single deep porcelain sink and a recently new GE Profile microwave/convection oven. There is also lots of storage located in both galley and dinette.

The forward stateroom has upper and lower bunks to starboard with a guest head and separate shower stall to port. A dedicated 6000 BTU MarineAir Reverse Cycle A/C was added in 2014.

Ascending up 4 steps from the salon and through the full length double teak doors you enter the full beam hard top aft deck or sundeck. This area features a wet bar and upper and lower storage and a 20" flat screen TV for outdoor entertainment. For dining, there is a Hi-Lo coffee table with 2 drop leafs. There are teak wing doors port and starboard to access the deep side decks and bow, with oversized stainless steel rails and stanchions with a lifeline insuring safety; a stern door opens for access down teak steps to the swim platform with stainless Mooring Whips, swim ladder and outdoor shower compartment.

Ascending 4 teak steps from the aft deck, you will find the large command bridge, covered by a bimini top and full eisenglass enclosure. There are screens in most of the horse shoe zip ups for bug free ventilation. The bridge has a long cushioned storage bench seat to port, a smaller one in front of the helm with lots of storage all around the bridge. The Captain and Mate have separate pedestal helm chairs.

Do not miss an opportunity to preview this yacht.
