Additional information

Description:

MERJO 6 was designed for cruising the Great Loop in comfort and built to Lloyd's Standards. With the enclosed flybridge weather `condition` is no problem - **Amazing 360 Degree Views!** Both interior and exterior living space is spacious and perfect for living aboard full-time. MERJO 6 is designed to live "Off the Grid" with **8 - 135 Watt Solar Panels**. Constructed with **Nida-Core Honeycomb** and polyester resin. **Insulation energy rating is R15 - helps to efficiently control interior temperature.** With the Volvo D6 diesel connected to the **DPH Duoprop drive, handling is improved w/straighter tracking & lower vibration/noise.** In addition, dual Vetus **Bow Thrusters virtually eliminate stressful docking and tight quarters maneuvering.** With the DPH drives up only 29" of draft makes MERJO 6 the perfect vessel for exploring inland waterways, the Bahamas and Florida Keys!

Economical - Clean Energy - built_in Round Living

MERJO 6 is Ideally Suited for Inland or Coastal Exploring

Accommodations

MERJO 6 quality and attention to detail is evident throughout. Upon entering the salon from the aft deck you are welcomed into a space bathed in natural light. Immediately to port is a circular stairwell leading to a large pilot house. Aside from being an extended living space equipped with under-counter fridge, it is a well laid out bridge for any discerning captain. Climate controlled for built_in round cruising you can also choose to let natural breezes flow with numerous opening ports. The aft deck off the pilothouse is perfect for watching the sun come up. Down below to port, just forward of the circular stairs is a spacious area with built-in seating. Between the seating and galley are stairs leading down to the full length guest stateroom with queen bed and a desk. In addition is a workshop located aft in the port hull. Could convert to a 3rd Head.

The galley is U-shaped with top quality appliances. Laid out for efficiency and gives the cook/chef the option to socialize with friends and family during meal prep.

On the starboard side of the salon is storage and an elevated salon table with 7 person bench seating. Just

forward is the entry down to another full length guest stateroom with queen bed, head & shower.

Continuing forward in the salon is the full-width owners stateroom with walk-around king bed. Including a head with jetted tub and washer/dryer.

Plenty of natural light and great views are included with all salon level living spaces and pilot house.

Interior is Open and Inviting!

Broker Comments

MERJO 6 was commissioned in 2014. The design focus is lightweight, dependability and performance. Comfort and quality is what you see when you step aboard MERJO 6. Perfect for transiting the Great Loop, Great Lakes or Coastal cruising. With the enclosed pilothouse cruising can be a comfortable

built_in round adventure. MERJO 6 would make the perfect full time live-aboard with the large "home style" galley and open living space. The jetted tub located in the main bath is a great way to relax in the evening. Outside living space is plentiful - you choose, upper deck or main deck.

Seller will consider ALL written offers

If your dream is to Cruise or Live Aboard - MERJO 6 is ready for you!
