## Accommodations

As you approach this vessel from the dock right away you notice the large cockpit with lots of room to fish. Stepping into the cockpit there is 2 large insulated fish boxes in the deck and access to the generator and batteries through a deck hatch. Looking aft there is a fold down seat for two, a transom door & swim ladder to the starboard side and a sink and hand held pull out shower to port. Storage under the gunnels on both sides. Looking forward to the port side more seating and tackle storage to starboard is the large lighted livewell and freshwater sink. Stepping up to the helm on the port side is L-shaped very comfortable seating with storage below and to the starboard is the Capt.'s command center with a very nice seat with fold up bolster for standing or fold down for sitting. The windshield has a power vent window and two hatches in the hard top with red and white lighting as well. Take three steps down into the main salon and you will find a fully enclosed head with hand held shower and the galley with fridge, two burner glass top range and microwave all to the port side. Opposite the galley is the L-shaped dinette and the electric panel. Forward is the large V-berth and aft under the cockpit is the large mid-cabin berth.

## Brokers Comments

This is a very well cared for boat, it still has that new boat smell. It is capable of roaring offshore to do

some hard core fishing and yet it has the luxury of being able to tuck in behind an island with all the comforts of home. Cheers!!
