Description:

This Sea Ray 44 is Sweet!

Maintenance-Free Synthetic Teak/Holly Decking

Large TNT Hydraulic Platform & Custom Air conditioned Full Cockpit Enclosure

The bold styling and opulent interior certainly shows in the 44 Sea Ray Sundancer both inside and out. The interior is striking with the cherrywood cabinets and laminate flooring throughout the interior. The master stateroom forward is well appointed with a centerline queen berth, lots of storage along with the flatscreen TV and DVD player. The master head is split with the head to port and the stall shower to starboard. The salon seating area is located to port with the oversized galley area to starboard. A motorized dropdown TV is a great feature offering more storage in the galley. The mid-cabin has its own ensuite head. The massive enclosed cockpit area features an oversized U-

shaped lounge seating aft to starboard which also converts into a sunning area. The helm seating area offers more seating. Powered by twin 500hp Cummins diesel engines and an Onan 9kw diesel generator with sound shield, this boat is ideal for entertaining with a spacious custom enclosed cockpit with air conditioning and an extended swim platform with hydraulic lift. The entire cockpit and platform is accentuated by durable, maintenance-free synthetic teak/holly decking. Extras include satellite television and telephone domes, bow and stern thrusters, and an electric engine room hatch
