Additional information

Description:

This 34 Defever Passagemaker is a classic trawler built to last by expert USA craftsmen. This very popular and highly regarded trawler model is now available to you after owners have enjoyed cruising her extensively in Florida, along Atlantic coast, and NY and Canadian canals, lakes and rivers. Cruise economically with single Perkins 135 hp diesel engine, in comfort with generator powered air conditioning as needed. Large bimini covered bridge with upper helm seats lots of guests and family while cruising or hosting docktails. Tall cruisers will enjoy 6' 6" salon headroom, 6' 4" master suite headroom and 7' long master v-berth. With fully equipped galley up along interior starboard side, the large salon is roomy for entertaining guests and family with the chef in the conversation.

This Defever 34 Passagemaker is well-maintained and equipped for long passages. If you're looking for a well-built, comfortable trawler, this is your yacht.

Out of state buyers may cruise this beautifully crafted trawler in Florida tropical waters for up to

180 days without paying Florida sales tax. Ask Capt. Calvin for details.

WALK THROUGH TOUR

After admiring from the dock this Defever Passagemaker's classic trawler design, step aboard at swim platform or side deck. Notice swim ladder and transom door from teak swim platform. Appreciate the large bimini covered cockpit and moulded nonskid decks all around exterior. Move forward along deep side decks with high protected sides and rails to bow deck. Observe high protective bow rails, anchor pulpit and electric windlass. Return along starboard side deck to note sliding side door to lower helm. Continue along side deck to cockpit and up steps to bridge. Notice high protective rails surrounding bridge as you move forward to upper helm. Observe the full 360° view from bridge helm. Note plenty of fixed seating just aft of helm and room for boat chairs aft on bridge.

Return to cockpit to enter salon through french doors with large shaded windows and screen doors. Note spacious layout with galley along starboard side aft of lower helm. Observe L-shaped settee to port with table forward of seating area with lounge chair and cabinet.

Proceed forward and down 3 steps to master suite. Observe private enclosed head to port with granite vanity counter, wand shower and electric marine toilet. Note large hanging locker to starboard. Continue forward to master suite with 7' long v-berth and cabinet storage.

ACCOMMODATIONS

You'll love the comfort of this Defever 34. Built for cruising long passages, salon layout with galley up along starboard side is more spacious than 34' trawlers with galley down. Large side, forward and aft windows with shades provide lots of light with/without sunshine as desired. Salon aft sliding doors with screens and opening side windows give great cross-ventilation when generator powered air conditioning not needed. Master v-berth suite with head is forward. Tall cruisers who find very few comfortable trawlers in this size will love the 6' 6" salon headroom, 6' 4" master suite headroom and 7' long v-berth.

This Passagemaker has 100 gallon fresh water tank, two 20 gallon holding tanks and two 175 gallon fuel tanks to minimize marina stops along the way.

- Roomy bimini covered cockpit for entertaining
- Roomy bridge for entertaining
- Sliding door aft entry with screens and shades
- Spacious salon with 6' 6" headroom
- Seat 6 on L-shaped settee around table
- Comfortable lounge chair
