Ref No: RF173127  
Price: 60,000.00  
Built: 1987  
Flag: USA  
Model: CORBIN  
Condition:

### Additional information

#### Description:

The Corbin 39 is regarded as a well built vessel with excellent sea kindly attributes. Capable of extended passages, this is an excellent cruising and live aboard vessel. The 39 Corbin is legendary as a strong, safe, seaworthy vessel as proven by many circumnavigations and major voyages.

In a survey done in 1998 by Cruising World, the 39 Corbin was rated the #1 Offshore Cruising Sailboat.

This boat is the three cabin version with one head. There is ample storage throughout for the crew.

Two helm stations. The pilot house station includes a good old fashioned nav station that gives you room to work.

This Corbin completed its last major cruise in the Dominican Republic. Shortly thereafter the owner passed away and the boat has been stored on land since. Repairs are currently being completed in the rudder.

The boat is aggressively priced for sale, as the family has no plans for future use of the boat.

Boat Name AGATE Specs Keel: Fin
