Additional information

Description:

This 39' Westerly Sealord built in England in 1984 under Lloyds Register of Shipping wears a Badge of Honor in the ship building World. This is one of the 48 that were built from 1983 to 1987. The proud owners have meticulously maintained and restored their pride and joy in excellent `condition`. In the last four built_ins they spent over \$60,000 on a new deck- awl grip, hatches and the cosmetics that show off this magnificent Sloop. This Vessel is a must see to appreciate!
