Crew boat (motor yacht in the style of "retro") with double superstructure and ER in the middle part of the vessel based on a steamer ship.

The vessel designed for occasional pleasure and long voyages, for a family holiday, technical trips, for delivery of the vessel in the designated area, for the rest of the ship owner, for banquets, business meetings.

In 2007-2009 the ship is being renovated. The architecture of the vessel designed with the style passenger steamers of the early twentieth century. The project includes a lounge, restaurant, guest cabins. The operation of the vessel is possible as the steam yacht, and in a rackmount version as a floating restaurant.

The ship requires completion of the containment interior and inspection of the vessel's mechanisms. Register inspection of the vessel provided on 06.2014
