### Additional information

#### Description:

I could not fault the quality of this barge and components. Machinery/equipment and electronics mainly non Chinese manufactured. LOA 100m x 31.7mtrs. Heavy lift 300t Crane. Powered by 5 cat (USA) 540kw engines. 8 Point mooring. Class ABS, Maltese Cross +A1 Barge, Unrestricted Service. Deck Area approx. 1500m<sup>2</sup> with deck loading 12.5t m. The barge is available at an extremely attractive price well below new build cost although never used. Can be ready for delivery around 4-6 weeks, subject to class approvals. Inspection available in China Shipyard by appointment.
