Adres:	190020, Russia, Saint-Petersburg, Lifliandskaia str. 6 ,lit A

İlan Detayları

Hakkında:	Bunkering flowmetrs (DN25, DN40, DN100, DN150) for custody transfer IF
Reference Number:	RF593976
Fiyat:	1.00
Condition:	

Ek Bilgiler

İlan Detayları:

We produce and sell from stock and under for order bunkering flowmeters (screw, oval gear, turbine) with mechanical account device or electric account device. Flowmeter offer the measurement for custody transfer of petroleum, desiel products, aviation fuels, Shipping fuels MDO, MGO, IFO and a broad of industrial liquids.

Fuel Flowmeters nominal DN25, DN40, DN100, DN150mm with mechanical account device.

The consumption:

DN25 to 7,2m3/h, Working pressure, MPa:1,6 (16Bar)
DN40 to 25m3/h, Working pressure, MPa:0,6 (6Bar)
DN100 to 180 m3/h, working pressure, MPa:1,6 (16Bar)
DN100 to 180 m3/h, working pressure, MPa:6,4 (64Bar)
DN150 to 420 m3/h, working pressure, MPA:1,6 (16Bar)
DN150 to 420 m3/h, working pressure, MPa:6,4 (64Bar)
Class of accuracy: 0,25 or 0,5%

Reset to "0"

The flowmeter considers single, moment and total account.

Our location also provides us with immediate access by air to worldwide destinations.

All of our products are guaranteed 12 month.

Best regards.
