Dear sirs,

The advantages of Ship Registration in Republic of Moldova are well known:

- all vessels owned by individuals or legal entities, whether resident or non-resident can be registered in Republic of Moldova;
- all owners and charterers of vessels registered in Moldova are exempt of tax payments and customs duty;
- there are no restrictions on registration of sea, river and sea-river vessels of all ages and types;
- favorable tariffs for the registration of ships;
- quick registration procedure,

that are just a few main benefits that we would like to mention.

Our Law Office will help you quickly and at a reasonable price to register your vessel under the flag of Republic of Moldova. Please contact us if you will need any additional information.

Best regards,

Furtuna Law Office team
