Are you ready to cruise? Mauline is ready to take you to all your dream destinations.

Strong, Elegant, Seaworthy, Great Equipment, and Wonderful Care make this Hylas the perfect choice!

Call today!

If you are looking for a superiorly crafted, sturdy, safe and swift offshore cruiser you have found it in a Hylas...designed by the internationally renowned designer German Frers, who has worked with the builder at Queen Long Marine Shipyard for over 25 built_ins, and imported by Hylas Offshore Yachts in Marblehead, MA.

If you are looking for a pre-owned well maintained and very clean Hylas 46 equipped with all the bells and whistles you have found it in "MAULINE". She is equipped with power self tailing primary winches, Selden electric in-mast furling, generator, water maker, bow thruster, electric windlass and full Simrad electronic suite. What all this means is the Hylas 46 yacht can be single handed offshore while remaining safely in the cockpit. She has taken her present owners up and down the eastern seaboard, Florida Keys,

Florida Gulf coast and throughout the Bahamas since 2007. Hylas 46 is currently located on a private dock at a canal residence in SW Florida.

In addition to a commanding specification that has been refined by thousands of miles at sea and the invaluable input of many yacht owners, the Hylas 46 sparkles with a confident profile, a robust modern sail plan and a generous beam that carries well aft to provide both excellent stability and more interior volume than other yachts of her size.
