Accommodations

Stepping onto the large swim platform you can enter the 6' x 12' cockpit from either side of the boat through a small gate. The cockpit has a large bench seat and room for a table and a large bimini for shade. Moving to the port side there is molded steps leading up to the fly bridge with full instrumentation and another large bench seat, Capt's chair, radar arch, bimini. Moving forward of the upper helm there is access to the bow via a walkway, on the bow there is another molded seating area with cushions. Back on

the cockpit through a sliding door, you enter the beautiful main salon. Immediately to the port side is a door leading you to the aft cabin with a private head and shower. Back in the main salon, to starboard is the electric panel, entertainment center and 2 built in seats. Moving forward on the starboard side is the well equipped galley. To the port side is a large dinette table that will convert to sleeping quarters. Forward of the table is the lower helm station with full instrumentation. Moving forward to the port side is the full head and shower stall. Forward is the large stateroom with a center line queen bed with a seating area, hanging locker, drawers below and a flush mounted TV.

Shurflo Water Pumps

Brokers Comments

This is a great motor yacht in need of a new home. It has been well cared for and lift kept. It has fantastic 360* views from the fly bridge, with lots of seating and storage. This is a lightly used boat that wants to get back out on the water. This is a very versatile vessel that can do it all, Island hop, waterfront restaurants, corporate outings, offshore fishing or tucked in your slip for a romantic evening. It is like a real nice condo with engines and no flood insurance.
