İlan Detayları

Hakkında:	FLOATING CRANE OF 10t NON SELF-PROPELLED
Reference Number:	RF387026
Fiyat:	482,000.00
Yıl:	1981
Flag:	Bulgarian
Condition:	

Ek Bilgiler

İlan Detayları:

Purpose:

Destined for manoeuvring of bulk cargo, goods packages, removing of the material drilled and blasted before, all limited at a total load of 10 t.

Equipped with grabs of 2.5; 2; 4; 3.2 m3.

Main Characteristics:

Lenght pontoon L = 27.40 m

Breadth B = 16.00 m

Max. Draught dM = 1.415 m

Max. Lenght in folder `condition` = 32.9 m

Max Height above water level:

- in folder `condition` = 18.00 m

- in working `condition` = 36.5 m

Gross Tonnage GT = 400

Performance Data:

Maximum load = 10 t

Lifting height above water level hlmax =17 m

Max.working depth under water level = 20 m

Max.span of the derrick boom from axis = 27 m

Min. span of the derrick boom from axis = 8 m

Lifting speed, having:- hook equipment = 20m/min- grab equipment = 40m/min- low speed = 2 m/min- spinning speed = 1 rpm

All Flag Administration and Class certificates renewed.

New 5-built_in period confirmed.

-Flag administration survey carried out 2017. Flag certificates renewed till 2022.

-Safety Navigation Certificate and International LL Certificate confirmed.

-Class renewal survey of Hull and Machinery and DD survey carried out 2017. Class renewed till 2022.

-Classification society: BRS (Bulgarian Register of Shipping).

-Cargo gear survey carried out 2017. Cargo gear test and examination Certificate renewed till 2022.

-Valid P&I Insurance Certificate;

-Valid Wreck Removal Convention Blue Card in accordance with the provisions of Nairobi Convention, 2007;

-Valid Certificate of Insurance or Other Financial Security in Respect of Liability for the Removal Of Wrecks.
